

REMEMBER THESE TIPS AROUND ELECTRICITY AND BE A SAFETY HERO

**ELECTRICITY HAS
THE POWER TO JUMP**

Always keep away from
overhead powerlines

**BEWARE OF FALLEN
POWERLINES**

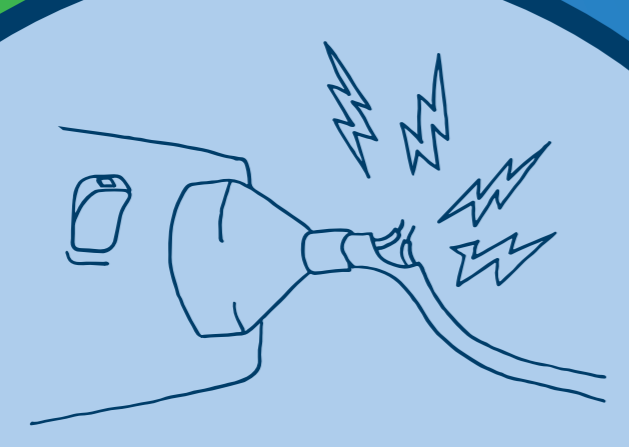

Stay safe and keep at least
10 metres away from
fallen powerlines

SAFETY HEROES

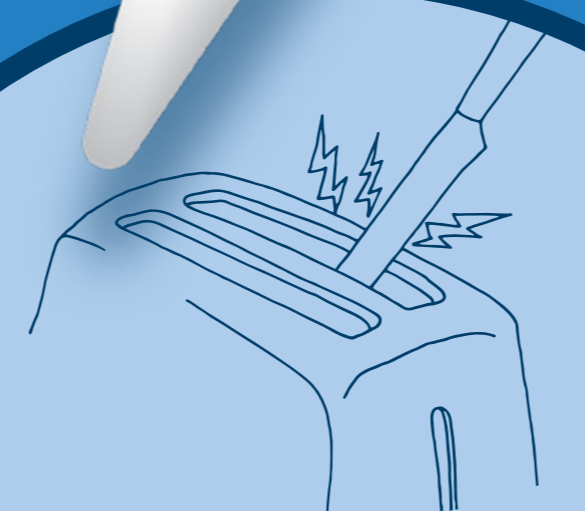

**DON'T PLAY
NEAR WIRES**

Never play on electrical
equipment or in trees
near powerlines

**IF YOU SENSE DANGER,
TELL AN ADULT**

Know what to do and who
to contact in an electrical
emergency

**USE ELECTRICAL
APPLIANCES SAFELY
AND CORRECTLY**

Never put metal objects
in a toaster or
powerpoint

**DON'T MIX WATER
AND ELECTRICITY**

Some super powers aren't
meant to be mixed. Keep
electrical appliances
away from water.
